

Africana Womanism: "I Got Your Back, Boo"

**Don't you know by now, girl, we're all in it together?
Family-Centrality--that's it; we're going nowhere without
the other.**

**That means the men, the women, and children, too,
Truly collectively working—"I got your back, Boo."**

***Racism* means the violation of our constitutional rights,
Which creates on-going legal and even physical fights;
This 1st priority for humankind is doing what it must do,
Echoing our 1st lady, Michelle—"I got your back, Boo."**

***Classism* is the hoarding of financial privileges,
Privileges we must all have now in pursuit of happiness.
Without a piece of the financial pie, we're doomed to have
a coup,
Remember--protect the other—"I got your back, Boo."**

***Sexism*, the final abominable sin of female subjugation,
A battle we must wage to restore our family relations.
All forms of sin inevitably fall under 1 of the 3 offenses.
Africana Womanism—"I got your back, Boo"—corrects
our common senses.**
